

Federal Legislative Achievements in 2022!

Our reps--Democrats--passed the \$1.9 Trillion American Rescue Plan to jump start our economy after the pandemic

- Passed the Infrastructure Investment and Jobs Act to revitalize our aging infrastructure
- Passed the PACT act to extend health benefits to our veterans who experienced toxic environments during their service
- Passed the CHIPS and Science Act to bolster scientific research – sorely needed now
- Passed the Inflation Reduction Act – a historic investment in clean energy, lets Medicare negotiate drug prices and caps insulin costs at \$35 for Medicare participants (Democrats wanted to extend that cap to ALL Americans but Republicans defeated that effort)
- Passed an expansion of the Affordable Care Act so that now the percentage of those without medical coverage has dropped to 8%!
- Passed the Respect for Marriage Act!!
- Reauthorized the Violence Against Women Act!
- Passed the most significant gun safety legislation that has been enacted for 30 years!
- Passed the Omnibus Spending Act to fund the government for the next year that includes reforms to the Electoral Count Act so that we won't have another attempt for a Presidential coup.

In Arizona we made a lot of progress too:

- Elected a Democratic Governor, Secretary of State and Attorney General!!
- Defeated Prop 128 – a measure that would have curtailed citizen initiatives
- Passed Prop 209 – a measure the provide Predatory Debt Protections
- Passed Prop 211 – Stops Dark Money!
- Passed Prop 308 – AZ Students get in-state tuition regardless of immigration status!
- Defeated Prop 309 – a measure designed to restrict voting rights
